The following information is required for water service to be connected on your property to the Fruitvale Water Supply Corporation.

1. Service Application & Agreement completed with applicable fees.
2. Right of Way Easement, signed by the landowner(s) before a notary including volume and page number where filed at the Van Zandt County courthouse.
3. Ownership of property papers, warranty deed, contract for deed, etc.
4. Service is temporary until all compliance is complete.
5. All new water service is installed with a customer cut off valve outside the meter box on the customer's side of the meter. When transferring or re-installing a water service, a charge will be added to install a customer cut off valve, if one is not already installed.

**THIS WILL BE A TEMPORARY SERVICE UNTIL ALL ITEMS ARE RETURNED TO THIS OFFICE. IF ITEMS ABOVE ARE NOT RETURNED WITHIN 30 DAYS, THE METER WILL BE PULLED FOR NONCOMPLIANCE.**
